Industry: Healthcare & Medical Devices

Objective: get Ticket sales for BiohackingCongress Event

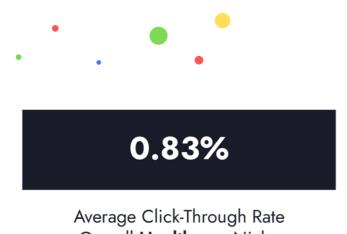

Website: biohackingcongress.com

I appreciate our collaboration with MediaMagic. The good thing is that they can provide services for all kinds of Advertising and SEO optimization as well. So we can rely on the MediaMagic team for complex promotion, they keep all on track and we get a synergy result. Their professional team dive deep in our business and understand specific aspects of the industry, so they prepare all visuals and text for promotion by themselves. It really saves our time and resources so we can concentrate on our business. Very important for us that we have account manager Isha from the MediaMagic team who keeps in touch with us regarding all the processes. Isha prepares for us FollowUps and Reports in a very convenient format so we are always updated on results and able to change our marketing strategy if needed. Last but not least, Isha is very efficient and polite, and that makes our interactions absolutely gorgeous. I definitely recommend getting MediaMagic as "marketing arms" from your business success.
